the above-identified patent application as evidenced by Assignment recorded on Reel 9546, Frame 0048 *et seq.*

The owner is also the assignee of U.S. Patent 5,763,016, issued June 9, 1998. The assignment of said U.S. Patent 5,763,016 is recorded on Reel 8452, Frame 0103 *et seq.*

Petitioner hereby disclaims the terminal part of any patent granted on the above-identified patent application which would expire beyond the expiration of U.S. Patent 5,763,016, issued June 9, 1998, and hereby agrees that any patent granted on said above-identified patent application shall be enforceable only for and during such period that the legal title to said patent shall be the same as the legal title to said U.S. Patent 5,763,016, this agreement to run with any patent granted on said above-identified application and to be binding upon the grantee, its successors or assigns.

Petitioner does not disclaim any terminal part of any patent granted on the above-identified application prior to the expiration date of the full statutory term of said U.S. Patent 5,763,016, in the event that said patent subsequently expires for failure to pay a maintenance fee, is held unenforceable, is found invalid by a court of competent jurisdiction, is statutorily disclaimed in whole or terminally disclaimed under 37 CFR 1.321(a), has all claims canceled by a reexamination certificate, or is otherwise terminated prior to expiration of its statutory term as presently shortened by any terminal disclaimer, except for the separation of legal title stated above.

1.  For submissions on behalf of an organization (e.g. corporation, partnership, university, government agency, etc.), the undersigned is empowered to act on behalf of the organization.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.

2.  The undersigned is an attorney of record.
